

Murfreesboro Parks and Recreation Outdoor Adventure School Field Trips

Programs and Tennessee Science Curriculum Standards 2009 - 2010

Program	Time	Max #	Price	PreK	K	1	2	3	4	5	6	7	8	Standards
ABC's in Nature	30	25	\$3											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.1, Diversity & Adaptation Among Living Things 5.2
Animal Senses	45	20	\$2											Interactions Between Living Things and Their Environment2.1, Diversity & Adaptation Among Living Things 5.0
Animal Signs	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Diversity & Adaptation Among Living Things 5.2
Aquatic Mammals I	45	100	\$3											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Diversity & Adaptation Among Living Things 5.0
Aquatic Mammals II	45	100	\$3											
Color Hike	30	25	\$3											
Creek Critters	30	25	\$3											
Creek Critters	45	20	\$3											Interactions Between Living Things and Their Environment2.0, Heredity & Reproduction 4.1, 4.3, Diversity & Adaptation Among Living Things 5.2
Endangered Species	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Heredity & Reproduction 4.1,4.2, Diversity & Adaptation Among Living Things 5.2, Biological Change 6.2
Exploring the River	90	20	\$4											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Heredity & Reproduction 4.3, Diversity & Adaptation Among Living Things 5.0, Biological Change 6.3
Hike Like Me	30	25	\$3											
If I Were An Owl	45	100	\$3											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.1, Diversity & Adaptation Among Living Things 5.2
Insect IQ	45	20	\$2											Interactions Between Living Things and Their Environment2.2, 2.4, Food Productions and Energy for Life 3.1, Heredity & Reproduction 4.0, Diversity & Adaptation Among Living Things 5.2
Living Things	45	20	\$2											Cell Structure and Function 1.1, Interactions Between Living Things and Their Environment 2.1,2.3,Food Productions and Energy for Life 3.1,Heredity & Reproduction 4.1,Diversity & Adaptation Among Living Things 5.2
Mammals of Tennessee	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Diversity & Adaptation Among Living Things 5.0
My Tennessee Home	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Heredity & Reproduction 4.2, 4.3, Diversity & Adaptation Among Living Things 5.2
Orienteering	45	20	\$2											Social Studies; Geography 3.01
Owl Pellets	60	25	\$5											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Diversity & Adaptation Among Living Things 5.0
Plant Basics	45	20	\$2											Interactions Between Living Things and Their Environment2.1, Food Productions and Energy for Life 3.0, Heredity & Reproduction 4.1, Diversity & Adaptation Among Living Things 5.2
Predator / Prey	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Diversity & Adaptation Among Living Things 5.0
Reptiles & Amphibians	45	20	\$2											Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.1, Diversity & Adaptation Among Living Things 5.0, Biological Change 6.0

Reptiles Everywhere	45	100	\$3												Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.1, Diversity & Adaptation Among Living Things 5.0, Biological Change 6.0
River Ecology	90	20	\$4												Diversity & Adaptation Among Living Things 5.2, Earth Resources 10.3, 10.5
Senses	30	25	\$3												
Tree of Life	45	20	\$2												Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Diversity & Adaptation Among Living Things 5.0
Turtle Search	90	15	\$4												Interactions Between Living Things and Their Environment2.0, Heredity & Reproduction 4.2,4.3, Diversity & Adaptation Among Living Things 5.1,5.2, Biological Change 6.2,6.3
Turtles of Tennessee	45	100	\$3												Interactions Between Living Things and Their Environment2.0, Heredity & Reproduction 4.2, Diversity & Adaptation Among Living Things 5.0, Biological Change 6.2
Wetland Ecosystems 1	45	25	\$3												Interactions Between Living Things and Their Environment2.0, Food Productions and Energy for Life 3.0, Heredity & Reproduction 4.3, Diversity & Adaptation Among Living Things 5.0, Biological Change 6.3
Wetland Ecosystems 2	45	25	\$3												Diversity & Adaptation Among Living Things 5.2, Earth Resources 10.3, 10.5
What's For Lunch	45	100	\$3												
Whooooo's There	30	100	Free												Interactions Between Living Things and Their Environment2.0
Whooooo's There	30	100	Free												Interactions Between Living Things and Their Environment2.0, Diversity & Adaptation Among Living Things 5.0
